The school year is in full swing and so is aftercare here at TGPLD. Our extended care program is designed to allow children ages kindergarten to 12 years to have fun in a safe environment where they can play, do board games, explore the natural playground, finish homework, and enjoy the company of their peers. We are looking forward to seeing your child's bright, shining face this month!

Remember to call ahead to reserve your spot!

Enjoy the holidays with your families!
We can't wait to see you again in the New Year!
