Welcoming Winter

As the cold weather rolls in so do the sniffles and illness, please make sure you are dressing your child appropriately and that they have a couple of weather appropriate outfits available in their cubbies in case they need a change of clothes. Please also be sure your children are being sent with warm items as we are outdoors three times daily. I am asking for snowsuits, hats, mittens, and boots for walking/standing children.

Holidays are fast approaching, we will only be closed on Christmas and New Years Day. However, we'd like to give staff time off they are requesting, if you'll be taking any vacations, or time off, make sure to get those vacation forms in. Please and Thank you, from ALL of the TGPD staff!

Please join us for our Winter Social 6:30-7:30pm Wednesday, December6, 2017.

Reminder! We will be hosting a Mom 2 Mom sale on December 3rd. Please stop in and check out what everyone will be selling. Entry into this event will be on a donation basis, all funds gained will go to Adopt A Family-Michigan. You should have all received notice of our families we adopted for Christmas. The items needed are located on the board outside of our classroom. I'd like to share with you all how much this means to me. I came from a family who received help around the holidays, and seeing the looks on the faces of the mother and children last year, is something I'll never forget. I hope you are all very excited to share our love and generosity with the families in need.

A couple things I need all families to be looking out for; Mrs. Brooke will be sending out an email letting all families know of our updated policies on water cups, and a reminder about food storage and our food policies. She will also be sending out an email to ask families for donation items, and a little of your time for the meet next month. ALSO, we have updated our pacifier policy. To ensure that your child is sent home with the appropriate "Bink" we are now requiring all children who come with a pacifier to have it attached to a pacifier clip, very clearly labeled with your child's first and last name. We have had confusion among the afternoon staff, and parents taking the wrong "Binks" home.

A Few Reminders. . .

Scholastics! Keep an eye on your mailboxes for the flyers. Buying books helps our classroom earn FREE books and reading to your child several times a day is one of the best ways to help them build their vocabulary and improve literacy.

ALL food and drinks MUST be labeled with the child's first and last name as well as the date. We also prefer you label your items with what it contains; breast milk, formula, etc. Just in case for allergy purposes. Please refer to the postings in our "Parent Center", your Parent Handbook/Food Agreement, or email me for further rules and details.

Please make us aware of any schedule changes and call us in the morning if you will not be in by 9:30am so we may staff accordingly.

Again please remember to check your child's cubby and mailbox slot daily! This is where you will find dirty clothing, used dishes, artwork that is ready to be taken home as well as many other important documents.

Please contact me at corina@tgdaycare.com to address any questions, concerns or suggestions!
