Notes

Policy Refreshers

WATER CUPS

- All water cups are to be sent home at the end of every day and to be brought back the following school day. It would also be preferable for your child's water cup to be filled with water from home upon arrival.

DRY SNACKS

- All dry snacks need to be separated into one serving, labeled with your child's first and last name, and dated with the day or week of its intended consumption. If the food is not sent home by the end of the posted date, it will be thrown away.

BEDDING

- Bedding should be going home on your child's last scheduled day of the week. This gives us the opportunity to clean all of the cots.

THANK YOU ALL FOR KEEPING OUR CENTER HAPPY AND HEALTHY

A NOTE FROM ME TO YOU

Hello Families,

I want to thank all of you who participated with the Mom 2 Mom sale. For those of you who might not know, all proceeds from the Mom 2 Mom sale go towards this year's Adopt a Family. I am also very thankful for all those who donated items from the family's wish list (listed on this month's bulletin board). Having been a part of the delivery crew last year, I can tell you with absolute certainty that these donations are GREATLY appreciated. In short and as always, you guys rock!

Love,

Ms. Mary
