

Tremendous Toddlers

December Newsletter

Hello Tremendous Families

The Tremendous Toddlers classroom has specific transitions throughout the day in order to get the children ready for our preschool program. We work on skills such as potty training, walking down the hall, and following our classroom rules. We also work on independence, social interactions, and self help skills.

Volunteering

Parents and family members are always welcome and encouraged to volunteer in their child's classroom. Volunteering in your child's class is a great way for you to learn what is happening in the classroom and to see how your child interacts in a different surrounding.

If you are interested in possibly volunteering in our classroom you can either come talk to me or send me an email, I'd be more than welcome to give you more information!
