

Tremendous Toddlers

January Newsletter

Happy New Year Tremendous Families!

The Tremendous Toddlers classroom has specific transitions throughout the day in order to get the children ready for our preschool program. We work on skills such as potty training, walking down the hall, and following our classroom rules. We also work on independence, social interactions, and self help skills.

Volunteering for our Center

TGPD only does one fundraiser yearly, and it is that time again! Keep an eye out for emails that have a link to sign up to volunteer. Our concession stand fundraisers raise money to buy new items for our classrooms, allow us to send our teachers to off-site trainings, and also to have special guest speakers. All donations of items to sell and volunteer hours at the meets are very much appreciated!

New Assistant Teacher!

Ms. Jordan, who coaches for TG, will be joining our class starting 1/8/18 on Tuesday/Thursday. Ms Jill will be busy with school and coaching, but she will still be in to work with us during the middle of the day to do relieve teachers for lunch breaks and curriculum planning time

Upcoming themes
